ATTENTION MAITLAND BOULEVARD MOTORISTS

NEW TEMPORARY RAMPS OPENING FOR EASTBOUND INTERSTATE 4 (I-4) ENTRANCE RAMPS FROM WESTBOUND AND EASTBOUND MAITLAND BOULEVARD (STATE ROAD 414).

New temporary eastbound I-4 entrance ramps from westbound and eastbound Maitland Boulevard are scheduled to open in early November. The ramp from eastbound Maitland Boulevard will be close to the location of the old ramp. To enter the ramp from westbound Maitland Boulevard, motorists will need to decide much sooner. The eastbound I-4 on-ramp is being combined with Maitland Boulevard exit to Hope Road, which is approximately 600 feet sooner. Motorists traveling south on Hope Road toward Maitland Boulevard will need to make a decision: left lane for westbound Maitland Boulevard or westbound I-4; or right lane for eastbound I-4. In either lane on Hope Road, motorists must stop at a new stop sign and wait for traffic from westbound Maitland Boulevard to eastbound I-4 to clear before proceeding. Exact date of the ramp openings will be available on i4Ultimate.com/alertsmap.

Motorists should be aware that modifications or extensions to this schedule may become necessary due to weather delays or other unforeseen conditions. Motorists are advised to maintain a safe speed when driving in this vicinity through the work zone.
