ATTENTION MAITLAND BOULEVARD MOTORISTS

NEW RAMP OPENING FOR WESTBOUND INTERSTATE 4 (I-4) EXIT RAMP TO EASTBOUND MAITLAND BOULEVARD (STATE ROAD 414)

A new westbound I-4 exit ramp to eastbound Maitland Boulevard is scheduled to open in mid-November. Motorists will now enter the exit ramp on I-4 just before the Maitland Boulevard bridge over I-4, which is nearly 600 feet beyond the previous exit ramp. Motorists also should exercise caution and maintain a safe speed, as the new ramp entrance will require merging onto Maitland Boulevard. It is important to note that the original exit ramp will remain open but will only provide access to westbound Maitland Boulevard. Exact date of the ramp opening will be available on i4Ultimate.com/alertsmap.

Motorists should be aware that modifications or extensions to this schedule may become necessary due to weather delays or other unforeseen conditions. Motorists are advised to maintain a safe speed when driving in this vicinity through the work zone.
