EASTBOUND I-4 ROLLING ROADBLOCK APOPKA VINELAND RD TO GRAND NATIONAL DR.

Rolling roadblocks on eastbound Interstate 4 (I-4) from Apopka Vineland Road to Grand National Drive are scheduled between 12 a.m. to 5 a.m. on Tuesday, March 21, and may continue through Friday, March 31. The rolling roadblocks will not occur Friday night, any time Saturday or during the day on Sunday. During the rolling roadblocks, eastbound I-4 entrance ramps will be temporarily blocked by law enforcement officers to ensure no vehicles jump ahead of the traffic pacing operation. However, the eastbound I-4 entrance ramps from northbound Kirkman Road and Universal Boulevard will be closed from 10 p.m. to 5 a.m. each night in conjunction with the rolling roadblocks to accommodate construction. As the pace car passes an interchange, its eastbound I-4 entrance ramp will be reopened allowing motorists to enter and join the slow roll. The rolling roadblock and temporary closures of eastbound I-4 entrance ramps create a 30-minute window for crews to place bridge girders for the new Grand National Drive overpass extending over eastbound I-4. Two or three rolling roadblocks are scheduled to occur each night. Public safety vehicles are permitted to skip past the rolling roadblock to respond to an emergency call.

For real-time traffic information on I-4, including up-to-date progress on rolling roadblocks, stay tuned to the Florida Department of Transportation's 511 Traveler Information System. Visit FL511.com for I-4 travel times.
