EASTBOUND I-4 ROLLING ROADBLOCK KIRKMAN RD TO S.R. 408

Rolling roadblocks on eastbound Interstate 4 (I-4) from Kirkman Road (State Road 435) to State Road (S.R.) 408 are scheduled as soon as 12 a.m. until 6 a.m. on March 31-April 2. During the rolling roadblocks, eastbound I-4 entrance ramps will be temporarily blocked by law enforcement officers to ensure no vehicles jump ahead of the traffic pacing operation. However, the eastbound I-4 exit ramp to South Street will be closed as soon as 10 p.m. until 7 a.m. and the eastbound I-4 entrance ramp from eastbound S.R. 408 will be closed as soon as 12 a.m. until 6 a.m. each night in conjunction with the rolling roadblocks to accommodate construction. As the pace car passes an interchange, its eastbound I-4 entrance ramp will be reopened allowing motorists to enter and join the slow roll. The rolling roadblock and temporary closures of eastbound I-4 entrance ramps create a 30-minute window for crews to place bridge girders for S.R. 408 overpass extending over eastbound I-4. Two or three rolling roadblocks are scheduled to occur each night. Public safety vehicles are permitted to skip past the rolling roadblock to respond to an emergency call.

For real-time traffic information on I-4, including up-to-date progress on rolling roadblocks, stay tuned to the Florida Department of Transportation's 511 Traveler Information System. Visit FL511.com for I-4 travel times.
