NEW TEMPORARY ON-RAMP OPENING FROM ORANGE BLOSSOM TRAIL TO WB I-4

WESTBOUND INTERSTATE (I-4) ENTRANCE RAMP FROM SOUTHBOUND ORANGE BLOSSOM TRAIL (US 17-92/441) WILL BE LENGTHENED AS PART OF TRAFFIC SHIFT.

A new traffic pattern on westbound I-4 at the Orange Blossom Trail interchange is opening as soon as the end of May. The westbound I-4 entrance ramp from southbound Orange Blossom Trail will be lengthened to a distance of two-thirds of a mile, making it more than four times longer than the old ramp. In addition to the ramp shift, the westbound I-4 travel lanes will be shifted to newly paved lanes. The westbound I-4 traffic shift is about a quarter of a mile. To accommodate the traffic shifts, a nightly closure of the westbound I-4 entrance ramp from southbound Orange Blossom Trail is scheduled for about two weeks. See other side of handout for closure information and detour.
