ATTENTION MAITLAND BOULEVARD MOTORISTS

WESTBOUND INTERSTATE 4 (I-4) EXIT RAMP TO WESTBOUND MAITLAND BOULEVARD (STATE ROAD 414) IS SHIFTING TO ITS PERMANENT LOCATION.

Motorists should be aware that modifications or extensions to this schedule may become necessary due to weather delays or other unforeseen conditions. Motorists are advised to maintain a safe speed when driving in this vicinity through the work zone.

The westbound I-4 exit ramp to Maitland Boulevard is shifting to its permanent location as soon as early June. Motorists will exit westbound I-4 from the same location; however, the decision to exit left toward westbound Maitland Boulevard or right toward northbound Lake Destiny Road will need to be made approximately 1,700 feet sooner. Near the end of the ramp to westbound Maitland Boulevard, motorists will cross over the future westbound Maitland Boulevard. A traffic signal at the end of the ramp will allow motorists to safely continue on to the current westbound Maitland Boulevard. Later this year, the new westbound Maitland Boulevard travel lanes will open, and this exit ramp will continuously flow onto Maitland Boulevard without a traffic signal. Exact date of the ramp opening will be available on i4Ultimate.com/alertsmap.
