ATTENTION MAITLAND BOULEVARD MOTORISTS

WESTBOUND INTERSTATE 4 (I-4) EXIT RAMP TO EASTBOUND MAITLAND BOULEVARD (STATE ROAD 414) IS SHIFTING TO A NEW LOCATION AS SOON AS THE MORNING OF OCTOBER 3

A new westbound I-4 exit ramp to eastbound Maitland Boulevard is scheduled to open the morning of October 3. The new configuration of Exit 90 will help traffic flow, and it requires motorists exiting to eastbound Maitland Boulevard to exit I-4 earlier. That's nearly a half-mile before reaching the Maitland Boulevard overpass. Previously, motorists were almost right under Maitland Boulevard when they turned onto a ramp that took them to eastbound Maitland Boulevard.

All westbound I-4 motorists exiting onto Maitland Boulevard or Lake Destiny Road will use Exit 90. From there, motorists then will follow signage to exit onto westbound or eastbound Maitland Boulevard, or Lake Destiny Road.

The final configuration of the Maitland Boulevard interchange is available to view or download at: i4ultimate.com/futureMaitland.
