## IVANHOE BOULEVARD AND GURTLE COURT CLOSING

INTERSECTION OF IVANHOE BOULEVARD AND GURTLE COURT IS CLOSING LONG-TERM AS SOON AS LATE JULY.

The Florida Department of Transportation is temporarily closing the intersection of Ivanhoe Boulevard and Gurtler Court long term as soon as late July. The continuous closure is the final phase of drainage work on Gurtler Court between New Hampshire Street and Ivanhoe Boulevard. Construction is limited to daytime hours from dawn to dusk. Closing a section of Gurtler Court parking provides crews space to work and keeps residents and pedestrians safely away from the workzone. Drainage work completion is anticipated in fall 2017. Exact date of the intersection closure will be available on [i4Ultimate.com/alertsmap](http://i4Ultimate.com/alertsmap). As the third phase of Gurtler Court drainage work wraps up this month, additional parking spaces will reopen. Crews will also build a drainage structure in Lake Ivanhoe that will connect to pipes under Gurtler Court.
