WESTBOUND I-4 ROLLING ROADBLOCK FROM PAR STREET TO FLORIDA'S TURNPIKE

Rolling roadblocks on westbound Interstate 4 (I-4) from Par Street to Florida's Turnpike are scheduled between 12 a.m. to 5 a.m. on August 28-30. During the rolling roadblocks, westbound I-4 entrance ramps will be temporarily blocked by law enforcement officers to ensure no vehicles jump ahead of the traffic pacing operation. As the pace car passes an interchange, its westbound I-4 entrance ramp will be reopened allowing motorists to enter and join the slow roll. The rolling roadblock and temporary closures of westbound I-4 entrance ramps create a 30-minute window for crews to place bridge girders for the new Florida's Turnpike overpass extending over westbound I-4. Two or three rolling roadblocks are scheduled to occur each night. Public safety vehicles are permitted to skip past the rolling roadblock to respond to an emergency call.
