## ENTRANCE POINT FOR WB I-4 OFF-RAMP TO MICHIGAN STREET NOW NEARLY A MILE SOONER

THE WESTBOUND INTERSTATE 4 (I-4) EXIT RAMP TO MICHIGAN STREET SHIFTING AND MERGING WITH WESTBOUND I-4 ENTRANCE RAMPS FROM GORE STREET AND STATE ROAD (S.R.) 408 ON DECEMBER 14

A new westbound I-4 exit ramp to Michigan Street is scheduled to open as soon as the morning of Tuesday, December 14. Motorists seeking to exit onto Michigan Street will use a new, lengthened ramp on the right connected to the existing westbound I-4 entrance ramp from Gore Street and S.R. 408. Motorists seeking to enter westbound I-4 should prepare to merge with traffic to avoid continuing to the ramp to exit onto Michigan Street. Attentive and careful driving is urged in this area, as traffic will be merging to and from westbound I-4. The westbound I-4 entrance ramp from Kaley Avenue is unaffected by this ramp shift.

Any schedule changes related to the ramp opening will be available on [i4Ultimate.com/alertsmap](http://i4Ultimate.com/alertsmap). The final configuration of the Michigan Street and Kaley Avenue interchanges are available to view or download at: <http://fdot.tips/kaley>

Motorists should be aware that modifications or extensions to this schedule may become necessary due to weather delays or other unforeseen conditions. Motorists are advised to maintain a safe speed when driving in this vicinity through the work zone.
