## EASTBOUND I-4 AND WESTBOUND I-4 ROLLING ROADBLOCKS SCHEDULED MID-FEBRUARY

Rolling roadblocks on westbound and eastbound Interstate 4 (I-4) are scheduled between 12 a.m. and 5 a.m. on February 13-14 and February 19-20. During the rolling roadblocks, westbound and eastbound I-4 will be temporarily blocked by law enforcement officers to ensure no vehicles jump ahead of the traffic pacing operation. As the pace car passes an interchange, its I-4 entrance ramp will be reopened allowing motorists to enter and join the slow roll. The rolling roadblock and temporary closures of I-4 entrance ramps create a 30-minute window for crews to remove existing sign structures over I-4 near Florida's Turnpike. Public safety vehicles are permitted to skip past the rolling roadblock to respond to an emergency call.
