## WESTBOUND STATE ROAD 408 TRAFFIC PACING OPERATIONS ON JUNE 22

### WESTBOUND S.R. 408 TEMPORARY ON-RAMP CLOSURES

Multiple traffic pacing operations on westbound State Road (S.R.) 408 from Goldenrod Road to Tampa Avenue are scheduled between 12 a.m. and 5 a.m. on June 22. To ensure no vehicles jump ahead of the operation, westbound S.R. 408 entrance ramps will be temporarily blocked by law enforcement officers. As the pace car passes an interchange, its westbound S.R. 408 entrance ramp will be reopened allowing motorists to enter and join the slow roll. The traffic pacing operations and temporary closures of westbound S.R. 408 entrance ramps create a 30-minute window for crews to remove an overhead sign structure over S.R. 408 near Tampa Avenue. Multiple pacing operations are scheduled to occur. Public safety vehicles (law enforcement, fire rescue, etc.) are permitted to skip past the operation to respond to an emergency call. Multiple traffic pacing operations also are occurring on eastbound S.R. 408 during the same time. Please see reverse for details

Motorists should anticipate lane closures along S.R. 408 beginning as early as 9 p.m. in preparation for the traffic pacing operations.
