WESTBOUND I-4 ON-RAMP FROM COLONIAL DRIVE IS SHIFTING TO NEW LOCATION

WESTBOUND INTERSTATE 4 (I-4) ENTRANCE RAMP FROM COLONIAL DRIVE (STATE ROAD 50) IS SHIFTING TO SOUTHEAST CORNER OF COLONIAL DRIVE AND HUGHEY AVENUE ON OCTOBER 15

A new ramp from westbound Colonial Drive to westbound I-4 is scheduled to open the morning of October 15. The westbound I-4 entrance loop ramp from Colonial Drive is closing while the new ramp is opening just south of Colonial Drive, adjacent to Hughey Avenue. Motorists on westbound Colonial Drive will now need to pass through a traffic signal and turn left to access westbound I-4 or Hughey Avenue.

Before entering westbound I-4, the new ramp will diverge, giving motorists a choice of continuing toward westbound I-4 or to southbound Hughey Avenue. The new westbound I-4 ramp will only be accessible for westbound Colonial Drive traffic.

The final configuration of the Colonial Drive interchange is available to view or download at: i4ultimate.com/futureColonial.
