FDOT Receives Financial Proposals for the I-4 Ultimate Project in Orange and Seminole Counties

MAR 13 • 111 VIEWS • [VIEW COMMENTS](#)

TALLAHASSEE—The effort to reconstruct Interstate 4 in the metro Orlando area takes one more step forward. The Florida Department of Transportation (FDOT) today announces it has received four Financial Proposals in response to a Request for Proposals issued by FDOT on October 11, 2013. FDOT short-listed four proposers on June 5, 2013, and all four short-listed proposers submitted technical proposals on February 12, 2014 seeking the contract to design, build, finance, operate and maintain the project known as the I-4 Ultimate through a public-private partnership (P3) Concession Agreement.

The project includes the reconstruction of 21 miles of I-4 from west of Kirkman Road in Orange County to east of State Road 434 in Seminole County. The I-4 Ultimate project adds four tolled express lanes to I-4 while maintaining the existing free general use lanes, providing a choice to motorists.

Financial Proposals were received from the following Proposer Teams (in order as they were received):

1. Ultimate Mobility Partners
2. I-4 Mobility Partners
3. 4wardPartners
4. I-4 Development Partners LLC

A more detailed list of each proposer team may be found at www.moving-4-ward.com, under Project Info/Docs, Procurement. <http://www.moving-4-ward.com/about-the-project/documentspresentations/#procurement>

FDOT is reviewing the Technical Proposals as well as the Financial Proposals and the next step is selection of the best value proposer which is expected at a public meeting on April 23, 2014. The Technical Proposals address the Proposer Team's approach and schedule for designing and constructing the project as well as operating and maintaining the facility on behalf of FDOT following construction. Financial Proposals include the price and demonstration of the Proposer Team's ability to arrange and close financing on favorable terms.

FDOT Receives Financial Proposals from Four Teams for I-4 Ultimate Project

POSTED ON MARCH 14, 2014 BY [YUKIKO KOJIMA](#)

The Florida Department of Transportation (FDOT) announced yesterday that it received four financial proposals in response to a Request for Proposals issued by FDOT on October 11, 2013 for the I-4 Ultimate Project. On June 5, 2013, FDOT announced a shortlist of four proposers, all of whom submitted financial proposals yesterday and technical proposals on February 12, 2014 seeking the contract to design, build, finance, operate and maintain the project.

The estimated \$2 billion project, which will be developed through a public-private partnership concession agreement, includes the reconstruction of 21 miles of I-4 from west of Kirkman Road in Orange County to east of State Road 434 in Seminole County. The project adds four tolled express lanes to I-4 while maintaining the existing free general use lanes, providing a choice to motorists.

FDOT received financial proposals from the following shortlisted teams (listed in the order received):

1. Ultimate Mobility Partners (InfraRed Capital Partners Limited; Fluor Enterprises, Inc.; Kiewit Infrastructure South Co.);
2. I-4 Mobility Partners (Skanska Infrastructure Development Inc.; John Laing Investments Limited);
3. 4wardPartners (VINCI Concessions S.A.S.; Meridiam Infrastructure I-4 Ultimate, LLC; Walsh Investors, LLC); and
4. I-4 Development Partners LLC (Macquarie Capital Group Limited; OHL Concesiones.A.; FCC Construccion S.A.).

FDOT is reviewing the financial proposals and technical proposals and expects to make final selection of a best value proposer at a public meeting on April 23, 2014.

FDOT: I-4 Ultimate best value proposal selection set for April 23

MARCH 13, 2014 EDITOR

The Florida Department of Transportation announced Thursday, it is currently reviewing four short-listed technical and financial proposals and that the best value proposer will be selected at a public meeting on April 23, 2014.

FDOT short-listed four proposers on June 5, 2013, and all four short-listed proposers submitted technical proposals on February 12, 2014 seeking the contract to design, build, finance, operate and maintain the project known as the I-4 Ultimate through a public-private partnership (P3) Concession Agreement.

The project includes the reconstruction of 21 miles of I-4 from west of Kirkman Road in Orange County to east of State Road 434 in Seminole County. The I-4 Ultimate project adds four tolled express lanes to I-4 while maintaining the existing free general use lanes, providing a choice to motorists.

Financial Proposals were received from the following Proposer Teams:

1. Ultimate Mobility Partners
2. I-4 Mobility Partners
3. 4wardPartners
4. I-4 Development Partners LLC

A more detailed list of each proposer team may be found at:

www.moving-4-ward.com, under Project Info/Docs, Procurement. <http://www.moving-4-ward.com/about-the-project/documentspresentations/#procurement>

The Technical Proposals address the Proposer Team's approach and schedule for designing and constructing the project as well as operating and maintaining the facility on behalf of FDOT following construction. Financial Proposals include the price and demonstration of the Proposer Team's ability to arrange and close financing on favorable terms.
