## **I-4 Ultimate project schedules public information open house for areas of Altamonte Springs, Longwood & Maitland**

---

**ORLANDO** — The public is invited to learn more about the I-4 Ultimate project and how it is transforming Altamonte Springs, Longwood and Maitland, as well as the entire 21-mile corridor, during a public information open house scheduled for Thursday, May 28, from 5 to 8 p.m. at the RDV Sportsplex – Magic Gym, located at 8701 Maitland Summit Blvd.

“We encourage the public to attend this event to learn more about the project, view area maps and displays, and discuss the project with staff,” said Loreen Bobo, P.E., I-4 Ultimate Construction Program Manager.

The project officially launched in February 2015 and expected completion is 2021. The I-4 Ultimate project is rebuilding 21 miles of Interstate 4 from Kirkman Road in Orange County to SR 434 in Seminole County, adding two new dynamic tolled Express Lanes in each direction, replacing more than 140 bridges, reconfiguring 15 major interchanges and reconstructing the entire existing roadway.

Major changes planned for the northern end of the project include: elevating Maitland Boulevard over several side streets; constructing the Maitland Boulevard pedestrian bridge; reconfiguring the State Road (SR) 436 interchange to a single-point diamond interchange; and constructing a new pedestrian tunnel at SR 436.

As construction activities begin to accelerate, drivers should expect to see temporary roadways, bridges and ramps, and continued traffic pattern changes and shifts. Lane closures will be limited to mostly nighttime hours, beginning as early as 8:30 p.m. and continuing as late as 7 a.m. Work may also require ramp closures for extended periods.

Additional project information, including an up-to-date list of lane and ramp closures, are posted on [I4Ultimate.com](http://I4Ultimate.com). Motorists are encouraged to sign up for project newsletters and route-specific alerts through the website to help make informed decisions about when and where to travel.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status. Persons who require special accommodations under the Americans with Disabilities Act or persons who require translation services (free of charge) should contact Jennifer Smith, FDOT Title VI Coordinator by phone at (386) 943-5367, or via email at [jennifer.smith2@dot.state.fl.us](mailto:jennifer.smith2@dot.state.fl.us).
