WHY DOES PEMBROOK DRIVE NEED TO CLOSE?

AS PART OF THE I-4 ULTIMATE PROJECT, PEMBROOK DRIVE IS PERMANENTLY CLOSING AT NORTH KELLER ROAD. THE CLOSURE WILL OCCUR ON AUGUST 31, 2015.

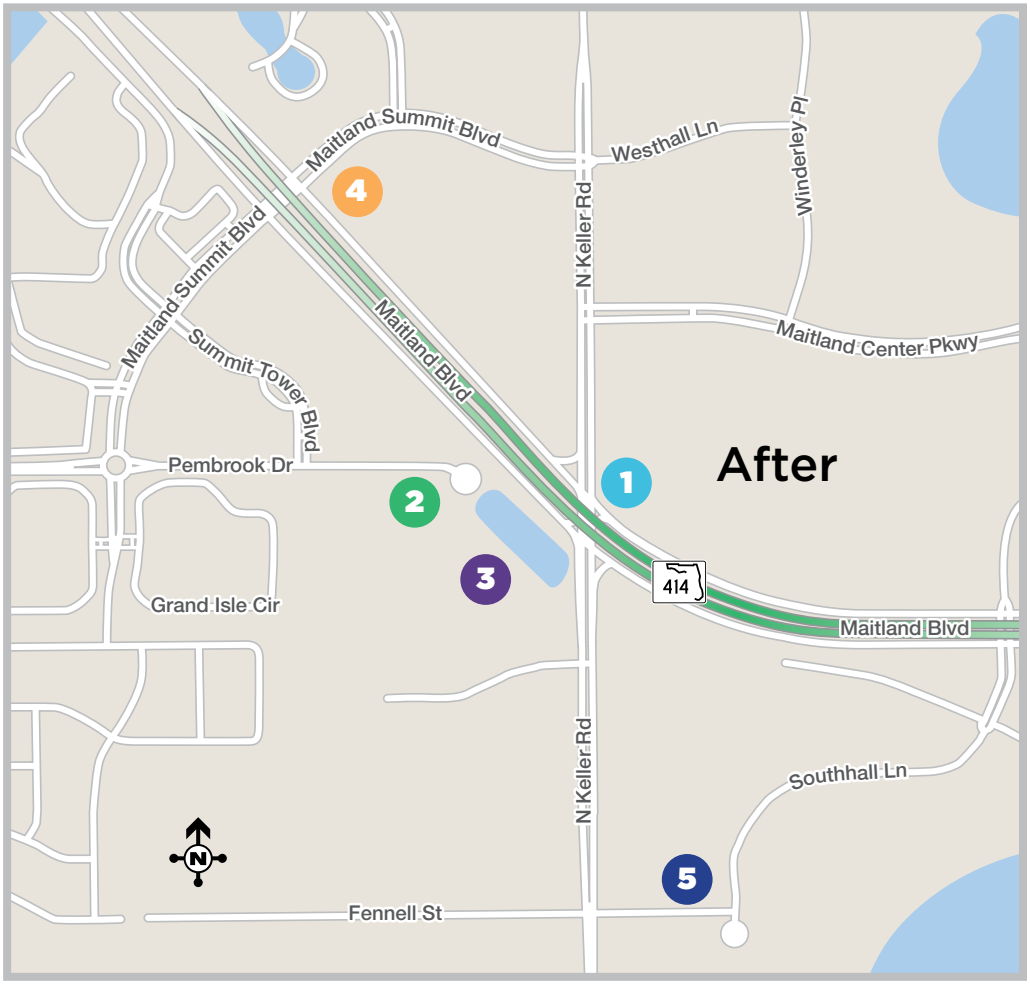
1 The Florida Department of Transportation is realigning Keller Road at Maitland Boulevard to build a flyover.

2 This realignment will result in this closure as well as a cul-de-sac constructed on Pembrook Drive, just before the intersection with Keller Road.

3 A retention pond will be constructed in this area.

4 Similar to the Maitland-Boulevard-Keller Road intersection, the Maitland Boulevard-Maitland Summit Boulevard intersection will feature a new flyover.

5 A new connection between Keller Road and Southhall Lane is being constructed. Anticipated completion fall 2015.



Please see reverse side for more information.

Public participation is solicited without regard to race, color, national origin, age, sex, religion, disability or family status.
