#### Ultimate I4 Information Alert Options

Based on the number of people that attended the College Park Neighborhood Association (CPNA) April monthly meeting last Monday evening to learn about the I4 Ultimate make over, there is a clear and present concern by the residents of College Park.

#### Concerns seem to be clumped together into one of two frets:

1. How loud is the construction going to be? Or
2. How much of a traffic snarl will I deal with each morning and or evening?

How many of you have signed up for ANY of the FDOT's alert options? Here they are (again):

Traffic crawling along I4.

I4 Ultimate is revving up. Do yourself a favor and pick your favorite media update contact method. Then check it! Informed and frustrated is better than uninformed and aggravated.

Let us know which method you pick and why.
