

# FDOT hiring 250 on-the-job training positions for I-4 Ultimate construction

By **Brendan O'Connor** | [August 25, 2015](#) | Neighborhood: **Orlando** | Topic:

0

The Florida Department of Transportation needs to fill about 250 positions over the next six years of I-4 Ultimate construction. Positions vary from basic labor to skilled craftman. Applicants need to be over 18 years of age. Disadvantaged workers, women, and minorities are encouraged to apply.

FDOT will be hosting a series of informational meetings to explain the application process and to talk about future opportunities. Applications and interviews will not be accepted at these times.

The first meeting is scheduled on September 1 at 9 a.m. at the Career Source Center [GMap].
