NEW EASTBOUND I-4 ON-RAMP FROM PRINCETON STREET AND EXIT RAMP FROM PAR STREET OPENING

NEW TEMPORARY RAMP (ALSO KNOWN AS A COLLECTOR-DISTRIBUTOR ROAD) ADJACENT TO EASTBOUND INTERSTATE 4 OPENING BETWEEN PRINCETON STREET AND PAR STREET ON AUGUST 28

The Florida Department of Transportation is opening a new collector-distributor road /on-ramp for Princeton Street and exit ramp for Par Street on the morning of Monday, August 28. A collector distributor road allows multiple options of entering and existing the interstate similar to a ramp but encompassing more movements. The temporary road is designed to carry traffic from Princeton Street to eastbound I-4 and from eastbound I-4 to Par Street during construction. Motorists wishing to enter eastbound I-4 from Princeton Street will travel on the ramp for nearly a quarter of a mile before merging onto eastbound I-4 on the left. Motorists wishing to exit onto Par Street from eastbound I-4 will exit onto the ramp nearly a quarter mile sooner just after crossing over Princeton Street. This shift is necessary to safely demolish and reconstruct eastbound I-4 lanes while maintaining traffic flow.

PROJECT INFO

The \$2.3 billion I-4 Ultimate project is reconstructing 21 miles of interstate from west of Kirkman Road to east of State Road 434 in Longwood. For more information about I-4 Ultimate, contact David Parks, I-4 Ultimate Public Information Officer, at 844-ULT-INFO (844-858-4636) or DavidParks@i4Ultimate.com.

Closure subject to change. Construction progress, roadway conditions and weather may require schedule adjustments. Please check i4ultimate.com/alertsmap for the most up-to-date information.
