## WESTBOUND I-4 TRAFFIC PACING OPERATION FROM C.R. 46A TO CENTRAL PARKWAY

OPERATIONS SCHEDULED MORNING OF SEPTEMBER 9

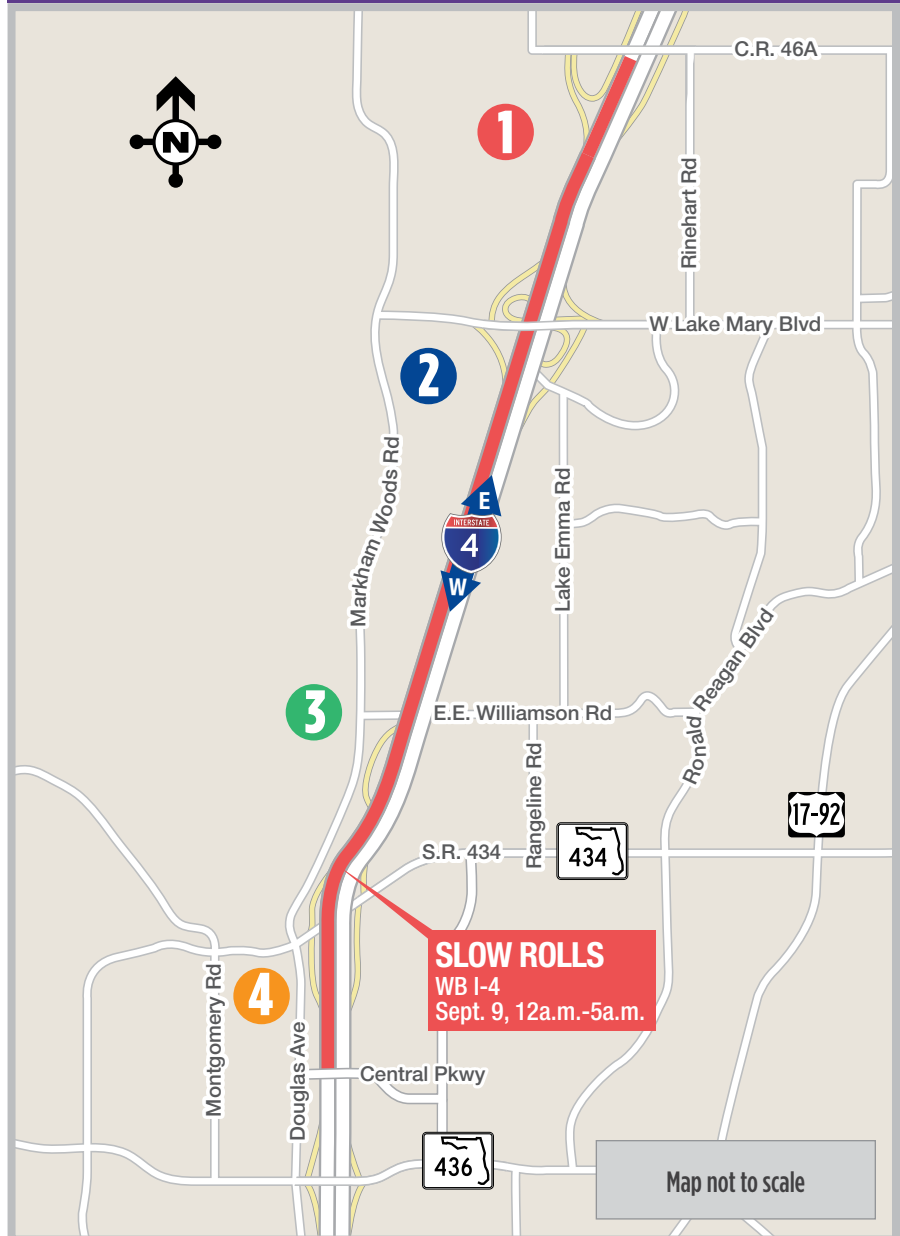

Traffic pacing operations on westbound and eastbound Interstate 4 (I-4) are scheduled between 12 a.m. and 5 a.m. on September 9. On westbound I-4, the traffic pacing operations are from County Road (C.R.) 46A to Central Parkway (See reverse side for eastbound I-4). To ensure no vehicles jump ahead of the traffic pacing operations, westbound I-4 entrance ramps will be temporarily blocked by law enforcement officers. As the pace car passes an interchange, its westbound I-4 entrance ramp will be reopened allowing motorists to enter and join the slow roll. The traffic pacing and temporary closures of westbound I-4 entrance ramps create a 30-minute window for crews to place new girders along I-4. Public safety vehicles (law enforcement, fire rescue, etc.) are permitted to skip past the slow roll to respond to an emergency call.
