UPDATED: EB I-4 BETWEEN MAITLAND BLVD. AND CENTRAL PKWY. SHIFTING TO NEW TRAVEL LANES

Due to inclement weather, the closure of eastbound Interstate 4 (I-4) between Maitland Boulevard (State Road 414) and State Road (S.R.) 434 has been rescheduled for the night of Sunday, January 20.

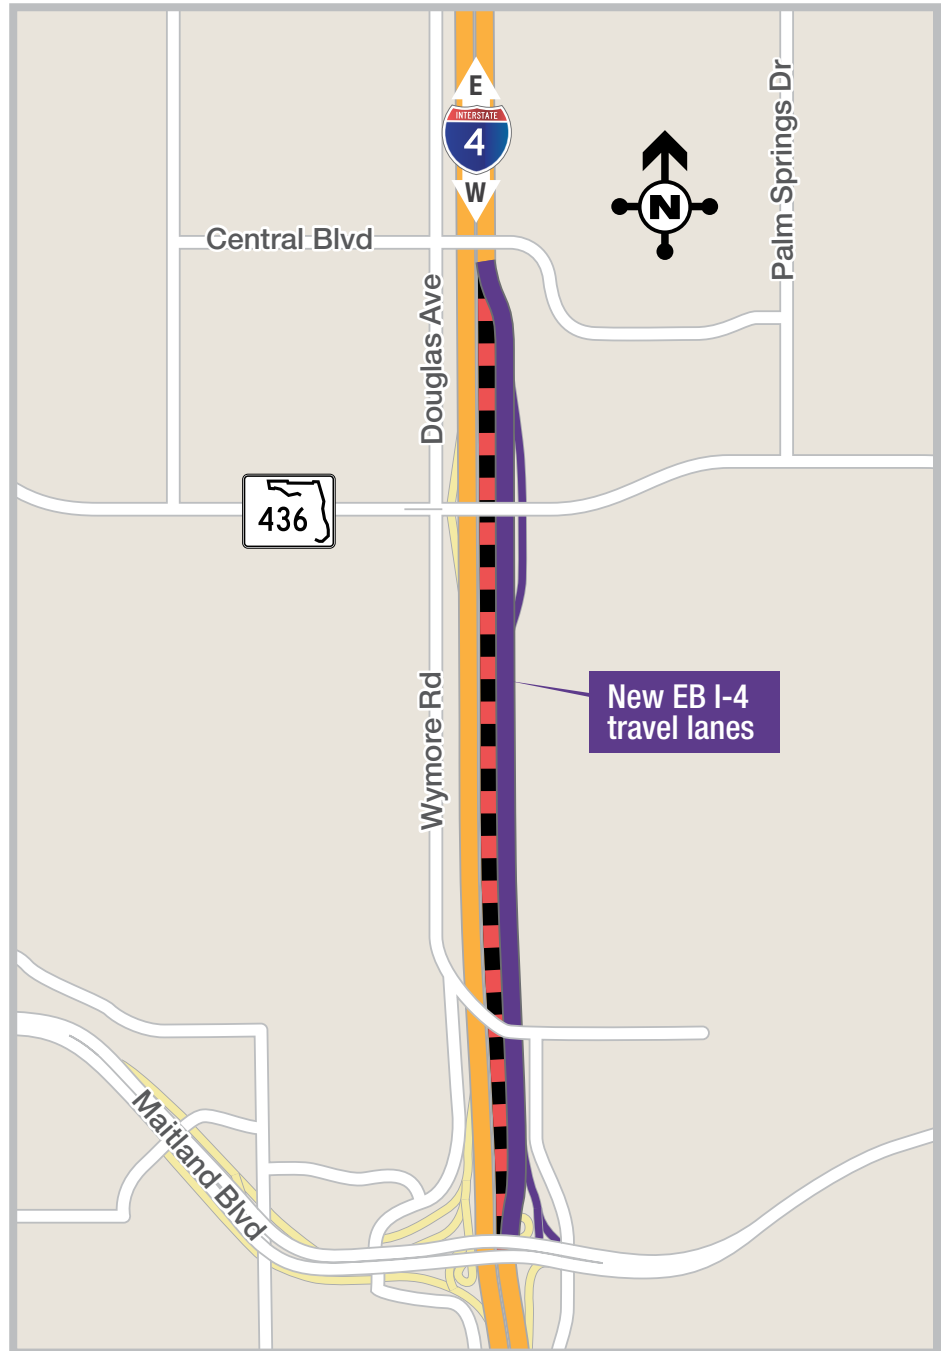

All eastbound Interstate 4 (I-4) travel lanes from Maitland Boulevard (State Road 414) to Central Parkway are shifting to the permanent configuration as soon as 5 a.m. on Monday, January 21. As part of this movement, some interchange ramps also will shift to accommodate the new configuration. Motorists entering eastbound I-4 from both S.R. 436 and Maitland Boulevard will merge sooner. Closures of eastbound I-4 and several interchange ramps are necessary on the night of January 20 to accommodate the traffic shift. See reverse for detour routes and more information.
