Williamson Road and State Road (S.R.) 434 to the old eastbound I-4 travel lanes on the night of Friday, February 1. Motorists should expect multiple lane closures on westbound I-4 from 9 p.m. on February 1 until 8:30 a.m. the next morning. The exit point for the westbound I-4 rest area will be approximately a half mile sooner because of the traffic shift.
