## EB I-4 EXIT RAMP TO S.R. 408 SHIFTING TO TEMPORARY LOCATION AS SOON AS MAY 24

**NEW TEMPORARY RAMP CONFIGURATION REQUIRES VEHICLES EXITING EASTBOUND I-4 TO BE IN THE LEFT LANE FOR SOUTH STREET AND THE RIGHT LANE FOR S.R. 408**

A new temporary configuration of the eastbound Interstate 4 (I-4) exit ramps to State Road (S.R.) 408 (Exit 82A) and South Street (Exit 82B) will open as soon as the morning of Friday, May 24. The temporary configuration will relocate the eastbound I-4 exit ramp to S.R. 408. The exit point from eastbound I-4 will remain the same; however instead of traveling over an I-4 bridge to reach S.R. 408, motorists will travel parallel to Division Avenue and then Gore Street before rejoining the existing exit ramp to S.R. 408. The most important change for motorists as a result of this new temporary ramp configuration is it requires vehicles exiting eastbound I-4 to be in the left lane for South Street and the right lane for S.R. 408.

This temporary ramp configuration will be in place for approximately 17 months, giving construction crews a safe workspace to demolish the old bridge over I-4 that the ramp will no longer use and continue rebuilding I-4.
