## EB I-4 BETWEEN SOUTH ST. AND LEE RD. SHIFTING TO FINAL CONFIGURATION

As soon as 5 a.m. the morning of Monday, June 24, the final configuration of eastbound I-4 between South Street and Lee Road (State Road 423) will open to motorists. The eastbound I-4 temporary ramp system between Colonial Drive (State Road 50) and Lee Road will be eliminated, returning ramps to pre-construction configuration. Motorists should anticipate additional capacity on the temporary ramp system over the weekend in preparation for the shift. With this shift, eight contiguous miles of eastbound I-4 will be set in their permanent configuration, marking significant completion on this part of the I-4 Ultimate project.

Two new exit ramps to Amelia Street and Colonial Drive will also open the morning of June 24, and the U-Turn from the Colonial Drive exit ramp under I-4 to southbound Hughey Avenue will be temporarily unavailable.

**PROJECT INFO**

The \$2.3 billion I-4 Ultimate project is reconstructing 21 miles of interstate from west of Kirkman Road to east of State Road 434 in Longwood.
