The Florida Department of Transportation (FDOT) is closing all ramps at the Interstate 4 (I-4) and State Road (S.R.) 436 interchange at 10 p.m. on Friday, August 23 and reopening them by 8 a.m. the following morning. During this time, motorists also should expect alternating lane closures on both directions of S.R. 436 from Northlake Boulevard to Douglas Avenue as crews work to shift the interchange to a new temporary configuration by 8 a.m. on Saturday, August 24. At least one lane on S.R. 436 will be maintained in each direction. Law enforcement officers will be present during this operation to manage traffic through the interchange.

For more informational resources, including a handout detailing the new configuration and the final interchange configuration, please visit i4ultimate.com/436.
