WB I-4 EXIT RAMP TO S.R. 434 SHIFTING TO PERMANENT CONFIGURATION

The westbound Interstate 4 (I-4) exit ramp to State Road (S.R.) 434 (Exit 94) is shifting to the new, permanent configuration as soon as Friday, December 20. The new, longer and wider ramp provides additional space for vehicles on the ramp, reducing backups onto I-4. The ramp ends at a new traffic signal, with two turn lanes onto both eastbound and westbound S.R. 434.

The existing ramp to S.R. 434 will close to accommodate the shift. See reverse side for more information.
