WB I-4 BETWEEN CENTRAL PARKWAY AND WYMORE ROAD SHIFTING TO PERMANENT CONFIGURATION

The Florida Department of Transportation (FDOT) is shifting westbound Interstate 4 (I-4) lanes between Central Parkway and Wymore Road into their permanent configuration as soon as Saturday, December 21. This shift relocates traffic onto nearly two miles of newly paved highway adjacent to the old lanes, making it the largest shift to date of the westbound I-4 lanes in Seminole County. A shift of eastbound I-4 under State Road (S.R.) 436 will follow.

A temporary overnight full closure of westbound I-4 between S.R. 434 and Maitland Boulevard (S.R. 414) is necessary to facilitate the traffic shift. See reverse side for more details.
