EB I-4 TRAFFIC PACING OPERATION SCHEDULED BETWEEN S.R. 528 AND JOHN YOUNG PARKWAY

A traffic pacing operation is scheduled to occur between midnight and 6 a.m. Saturday, May 2, on eastbound Interstate 4 (I-4) from Beachline Expressway (State Road 528) to John Young Parkway. During the operation, eastbound I-4 entrance ramps between these limits will be temporarily blocked by law enforcement officers to ensure no vehicles jump ahead of the traffic pacing operation. As the pace car passes each interchange, the corresponding entrance ramp onto eastbound I-4 will be reopened to allow motorists to enter and join the slow roll. The traffic pacing operation and temporary ramp closures will create a 30-minute window for crews to install an overhead sign truss.
