TEMPORARY TRUCK ACCESS TO ORANGE AVENUE (EXIT 10C) FROM EASTBOUND STATE ROAD 408

The eastbound State Road 408 exit to Orange Avenue (Exit 10C) is closing for approximately six months as soon as 5 a.m. Monday, April 27. During the closure, crews will demolish and rebuild the ramp.

A temporary U-turn will be in place at the eastbound S.R. 408 exit to Mills Avenue for motorists accessing downtown Orlando; however, it is not wide enough to accommodate trucks. An alternate route via Orange Blossom Trail (U.S. 441/17-92) (Exit 9) will be dedicated for trucks.

A portion of Carter Street between Rio Grande Avenue and Orange Blossom Trail also will close to allow traffic to free flow from the S.R. 408 exit to Orange Blossom Trail. Carter Street between Rio Grande Avenue and Jones High School will temporarily become a two-way street to allow access to the school.

Traveling to eastbound S.R. 408:

Option 1:

- Use Exit 9 to Orange Blossom Trail (U.S. 441/17-92)
- Turn right on Orange Blossom Trail
- Turn left on Gore Street

Option 2:

- Use Exit 9 to Orange Blossom Trail (U.S. 441/17-92)
- Turn left onto Orange Blossom Trail
- Turn right onto Anderson Street
