I-4 BETWEEN WYMORE ROAD AND MAITLAND BOULEVARD SHIFTING TO TEMPORARY CONFIGURATION

WB I-4 EXIT TO MAITLAND BOULEVARD WILL BE A QUARTER OF MILE SOONER FOR MOTORISTS

The Florida Department of Transportation (FDOT) will temporarily shift the westbound Interstate 4 (I-4) lanes between Wymore Road and Maitland Boulevard (State Road 414) as soon as Wednesday, March 11.

This shift will temporarily relocate more than 1.5 miles of westbound I-4 lanes to the center of the I-4 Ultimate construction zone. The shift also will move the WB I-4 exit ramp to Maitland Boulevard (Exit 90) approximately a quarter of a mile sooner.

The shift is necessary for workers to safely build permanent westbound I-4 lanes.

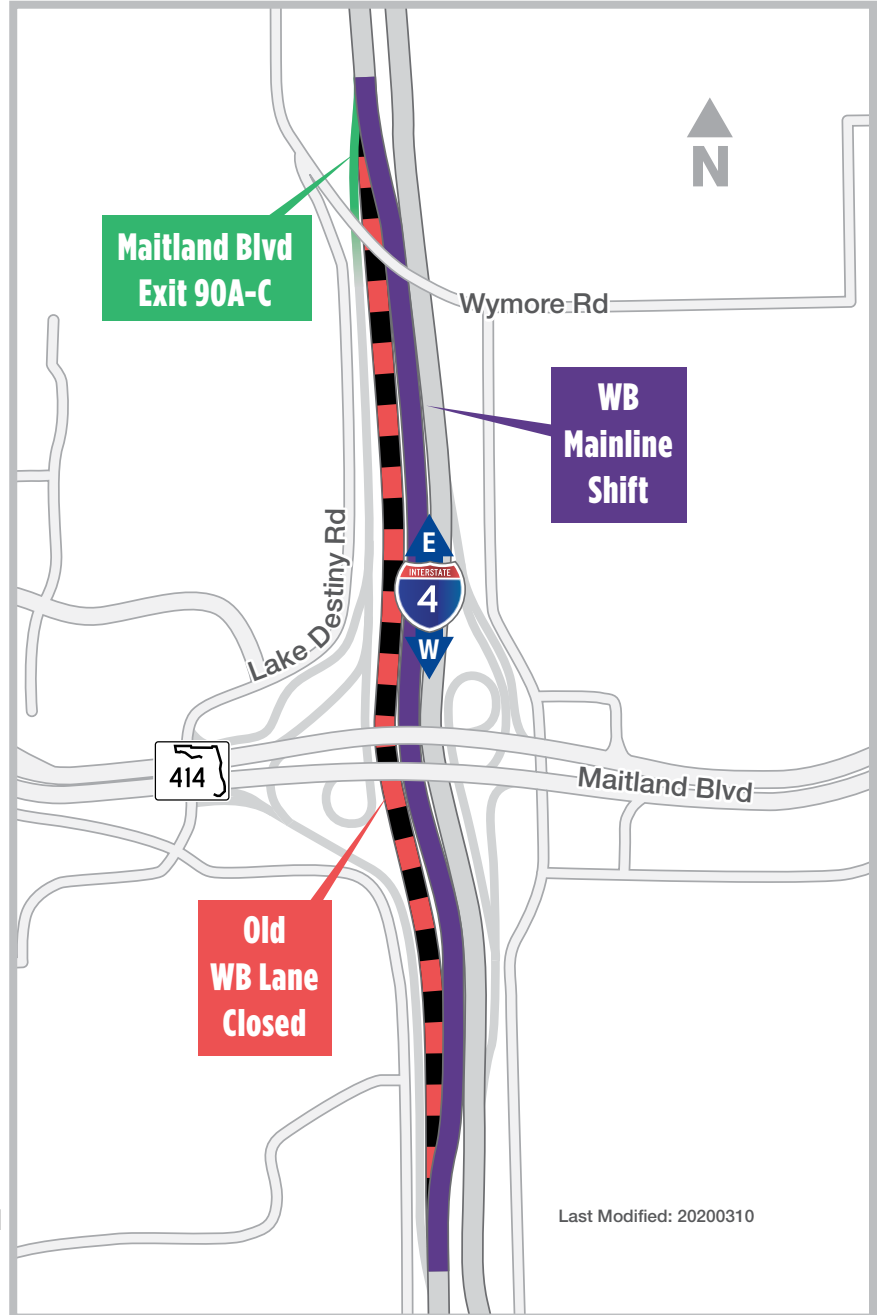

To accommodate the shift, FDOT will temporarily close westbound I-4 between State Road 436 and Maitland Boulevard nightly from March 10 to March 13. Please see reverse side for more information.
