WESTBOUND I-4 ENTRANCE RAMP FROM EASTBOUND STATE ROAD 434 CLOSING FOR ONE MONTH

CLOSURE ACCELERATES CONSTRUCTION IN LONGWOOD

The Florida Department of Transportation (FDOT) is temporarily closing the westbound Interstate 4 (I-4) entrance ramp from eastbound State Road (S.R.) 434 for a month.

The full closure of the ramp is scheduled to begin as soon as 10 p.m. Tuesday, April 14, and continue through mid-May.

The closure is necessary for workers to complete the new westbound I-4 lanes from east of State Road 434 towards Central Parkway and build the new permanent westbound I-4 on ramp from eastbound S.R. 434. The closure accelerates construction work in the Longwood area by 1–2 months and places westbound I-4 traffic into final alignment between the westbound rest area and Maitland.

### Traveling eastbound S.R. 434 east of I-4: (Recommended for large trucks)

- Turn right onto Ronald Reagan Boulevard
- Turn right onto S.R. 436
- Follow signage to westbound I-4

Traveling eastbound S.R 434 prior to I-4:

- Turn right onto Douglas Avenue
- Turn right onto Westmonte Drive
- Turn left onto S.R. 436
- Follow signage to westbound I-4

Traveling eastbound S.R 434 prior to I-4: (Recommended for large trucks)

- Turn right onto Montgomery Road
- Turn left onto S.R. 436
- Follow signage to westbound I-4
