## NEW RAMPS OPEN AT THE I-4 AND S.R. 408 INTERCHANGE

New flyover ramps at the Interstate 4 (I-4) and State Road (S.R.) 408 interchange opened to traffic on Monday, May 18. Westbound I-4 drivers now need to exit I-4 approximately half a mile sooner before crossing over Central Boulevard. Eastbound I-4 drivers will need to exit to S.R. 408 after crossing over Kaley Avenue. Additionally, traffic shifted to new westbound I-4 lanes between Amelia Street and Kaley Avenue. The westbound I-4 entrance ramp from Amelia Street also reopened after being closed for several months.

The westbound and eastbound S.R. 408 ramps to eastbound I-4, which opened in 2009, remain in place. The westbound S.R. 408 to westbound I-4 ramp is expected to open summer 2020.
