WESTBOUND I-4 ENTRANCE RAMP FROM EASTBOUND STATE ROAD 434 REOPENING IN FINAL CONFIGURATION

The Florida Department of Transportation (FDOT) is reopening the westbound Interstate 4 (I-4) entrance ramp from eastbound State Road (S.R.) 434 in its final alignment.

The ramp is scheduled to reopen as early as Friday morning, May 22.

To facilitate the reopening of the ramp in its final alignment, there will be a double lane closure on westbound I-4 from S.R. 434 to the westbound I-4 exit ramp to S.R. 436 overnight as well.

The westbound I-4 entrance ramp from eastbound S.R. 434 was closed for more than a month to accelerate construction work in the Longwood area. Once open, all ramps at the I-4 and S.R. 434 interchange will be in their final configuration.

PROJECT INFO

The \$2.3 billion I-4 Ultimate project is reconstructing 21 miles of interstate from west of Kirkman Road to east of State Road 434 in Longwood.
