WB I-4 ENTRANCE FROM IVANHOE BOULEVARD SHIFTING INTO NEW CONFIGURATION

The Florida Department of Transportation (FDOT) is shifting the westbound Interstate 4 (I-4) entrance ramp from Ivanhoe Boulevard into its final footprint as soon as Wednesday, June 17. The new configuration requires drivers to follow the new ramp through the Colonial Drive (State Road 50) interchange and enter westbound I-4 from Amelia Street.

After construction of the westbound I-4 entrance ramp from Colonial Drive is complete, drivers accessing westbound I-4 from Ivanhoe Boulevard will be able to enter via Colonial Drive. The I-4 westbound entrance ramp from Colonial Drive is scheduled to reopen fall 2020.

Access to westbound I-4 from Ivanhoe Boulevard and Colonial Drive will then be in its final configuration.
