WB S.R. 408 TRAFFIC PACING OPERATION SCHEDULED BETWEEN CHICKASAW TRAIL AND PARRAMORE AVENUE

A traffic pacing operation is scheduled to occur between midnight and 5 a.m. the morning of Thursday, October 15, on westbound State Road (S.R.) 408 from Chickasaw Trail to Parramore Avenue. During the operation, westbound S.R. 408 entrance ramps between these limits will be temporarily blocked by law enforcement officers to ensure no vehicles jump ahead of the traffic pacing operation. As the pace car passes each interchange, the corresponding entrance ramp onto S.R. 408 will be reopened to allow motorists to enter and join the slow roll. The traffic pacing operation and temporary ramp closures will create a 30-minute window for crews to remove a sign.
