IMPORTANT I-4 ULTIMATE INFORMATION FOR THE MAITLAND AREA

A NEW TRAFFIC SHIFT OPENS FOR EASTBOUND MAITLAND BOULEVARD ON AUG 20.

This long-term traffic pattern will shift the eastbound travel lanes on Maitland Boulevard to the median from approximately Gateway Drive to Keller Road. The new traffic pattern is necessary for the reconstruction of Maitland Boulevard as part of the I-4 Ultimate Project.

Expect nightly temporary lane closures as part of the Maitland Boulevard lane shift. Anticipate intermittent nighttime turn lane closures on Keller Road, Maitland Summit Boulevard and Maitland Boulevard August 18-21, 10 p.m. to 5 a.m.

Motorists should be aware that modifications or extensions to this schedule may become necessary due to weather delays or other unforeseen conditions. Motorists are advised to maintain a safe speed when driving in this vicinity through the work zone. For more information, including an up-to-date list of lane and ramp closures, visit I4Ultimate.com. Motorists are encouraged to sign up for project newsletters and route-specific alerts through the website to help make informed decisions about when and where to travel.
