WHY DOES GRAND NATIONAL DRIVE NEED TO CLOSE?

The long-term closure of Grand National Drive will allow for the construction of a new Interstate 4 (I-4) overpass that will connect Grand National Drive to Caravan Court.

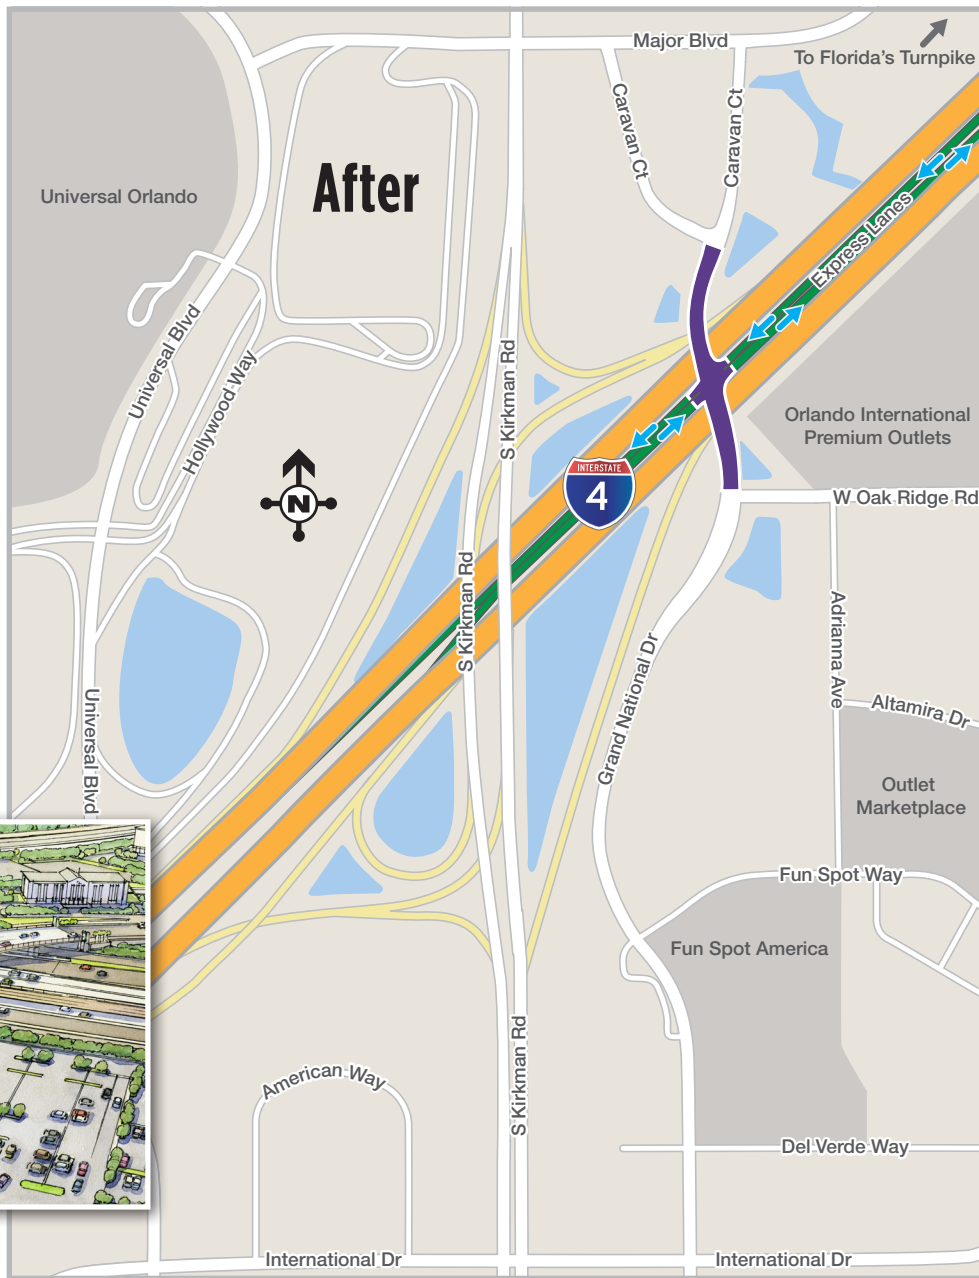

The extension over I-4 is providing a much-needed additional connection for the popular tourist area between the International Drive area and Universal Orlando. The new overpass will feature express lane direct access in the eastbound direction from Grand National Drive and the westbound direction to Grand National Drive. Additional ramps will be constructed in anticipation of the future express lane extension west on I-4.
