## WHY DOES A PORTION OF CARAVAN COURT NEED TO CLOSE?

The long-term closure of Caravan Court, in addition to the current detour on Grand National Drive, is allowing the construction of a new Interstate 4 (I-4) overpass that will connect Grand National Drive and Caravan Court.

The extension over I-4 is providing a much-needed additional connection for the popular tourist area between the International Drive area and Universal Orlando. The new overpass will feature express lane direct access in the eastbound direction from Grand National Drive and the westbound direction to Grand National Drive. Additional ramps will be constructed in anticipation of the future express lane extension west along I-4.
