IMPORTANT I-4 ULTIMATE INFORMATION

A NEW TRAFFIC SHIFT FOR WESTBOUND INTERSTATE 4 BETWEEN FAIRBANKS AVENUE AND PAR STREET INTERCHANGES ON OCTOBER 12.

This long-term traffic pattern of approximately one-third of a mile will relocate the westbound lanes to newly constructed lanes located to the west of the existing traffic lanes. The new traffic pattern is necessary for the reconstruction of Interstate 4.

Motorists should be aware that modifications or extensions to this schedule may become necessary due to weather delays or other unforeseen conditions. Motorists are advised to maintain a safe speed when driving in this vicinity through the work zone. For more information, including an up-to-date list of lane and ramp closures, visit I4Ultimate.com. Motorists are encouraged to sign up for project newsletters and route-specific alerts through the website to help make informed decisions about when and where to travel.
