Reloadable SunCards

SunCards have a one-time cost of \$5 and can carry one Travel Plan as well as hold a Prepaid Value.

Travel Plans – Travel Plans give you the freedom to ride on SunRail as many times as you want for 7, 30 or 365 consecutive calendar days after you first Tap On. These plans provide significant savings over a Single-Day ticket.

Prepaid Value – Similar to a debit card, your fare is deducted based on the distance traveled on your trip, and funds can be added to your card as often as needed. Passengers who purchase a SunCard with Prepaid Value also receive a 10% bonus when funds are loaded onto the card.
