## **New WB I-4 On-Ramp from Gore St./S.R. 408 Opening November 13**

---

**ORLANDO** — A new westbound Interstate 4 (I-4) on-ramp from Gore Street and State Road (S.R.) 408 is scheduled to open the morning of November 13.

The westbound I-4 entrance ramps from Gore Street and both directions of S.R. 408 will close nightly for nearly one week beginning the evening of Sunday, November 12, to accommodate the ramp shift.

Motorists will enter at Gore Street from about the same location and will join with westbound I-4 traffic nearly half a mile beyond the original entrance point.

To view or download a handout detailing the shift and the corresponding nightly closures visit: <http://fdot.tips/Gore>

The new ramp is a milestone for the I-4 Ultimate project, as motorists will be driving on the first permanent ramp structure at the I-4/S.R. 408 interchange.

I-4 Ultimate construction through downtown Orlando and at the I-4/S.R. 408 interchange has made significant progress in 2017. To view or download a handout illustrating the future improvements at the interchange and the nearby roadways, please visit: <http://fdot.tips/sr408>.

Modifications or extensions to this schedule may become necessary due to weather delays or other unforeseen conditions. Motorists are advised to maintain a safe speed when driving through the work zone.
