Multiple Traffic Pacing Operations on Eastbound and Westbound S.R. 408 Scheduled for June 15

Ramps to westbound and eastbound S.R. 408 closing concurrently

ORLANDO — Multiple traffic pacing operations are scheduled to occur on eastbound and westbound State Road (S.R.) 408 between 12 a.m. and 5 a.m. on Friday, June 15.

The eastbound S.R. 408 operations will begin at Good Homes Road and conclude at Tampa Avenue. The westbound S.R. 408 operations will begin at Goldenrod Road and conclude at Tampa Avenue.

During the operations, affected S.R. 408 entrance ramps will be temporarily blocked. As the traffic pacing operations pass each interchange, law enforcement officers will reopen the entrance ramp. Each traffic pacing operation on S.R. 408 will create a 30-minute window for crews to remove old overhead signage at Tampa Avenue.

In total, six eastbound and eight westbound S.R. 408 entrance ramps will be temporarily closed during these operations. View or download an online map of the temporary S.R. 408 on-ramp closures at: <https://fdot.tips/408pacing>.

In conjunction with the traffic pacing operations, the eastbound and westbound S.R. 408 entrance ramps from Interstate 4 (I-4) will be closed from 10 p.m. to 6 a.m. on June 14-15. View or download an online map of the nighttime S.R. 408 on-ramp closures from I-4 at: <https://fdot.tips/408ramps>.

Motorists may experience additional lanes closed on S.R. 408 during the traffic pacing operation.

Modifications or extensions to this schedule may become necessary due to weather delays or other unforeseen conditions. Motorists are advised to maintain a safe speed when driving through the work zone.
