EASTBOUND I-4 TRAFFIC PACING OPERATIONS FROM KIRKMAN ROAD TO MICHIGAN STREET

Traffic pacing operations on eastbound Interstate 4 (I-4) from Kirkman Road (State Road 435) to Michigan Street are scheduled between 12 a.m. and 5 a.m. on the morning of June 26. During the operation, six eastbound I-4 entrance ramps will be temporarily blocked by law enforcement officers to ensure no vehicles jump ahead of the traffic pacing operation. As the pace car passes an interchange, its eastbound I-4 entrance ramp will be reopened allowing motorists to enter and join the slow roll. Multiple operations may be required. The traffic pacing operations and temporary closures of eastbound I-4 entrance ramps create a 30-minute window for crews to remove a nearby overhead sign truss. Public safety vehicles are permitted to skip past the operation to respond to an emergency call.

For real-time traffic information on I-4, including up-to-date progress on traffic pacing operations, stay tuned to the Florida Department of Transportation's 511 Traveler Information System. Visit FL511.com for I-4 travel times.
