Traffic to be Diverted off Eastbound I-4 near Florida's Turnpike on Nights of July 6, 9, 10 & 11

Orlando — To accommodate demolition of a recently replaced overpass near Florida's Turnpike, I-4 Ultimate crews will be diverting traffic off eastbound Interstate 4 (I-4) from 12 a.m. to 5 a.m. on July 6, 9, 10 and 11.

Either motorists will exit eastbound I-4 at Universal Boulevard (Exit 75A) or Kirkman Road (75B) and use Vineland Road and Conroy Road to reenter eastbound I-4 at the Conroy Road interchange.

In addition to diverting eastbound I-4 traffic, the I-4 on-ramp from northbound Kirkman Road (State Road 435) and eastbound I-4 exit ramp to Florida's Turnpike (Exit 77) will be closed from 10 p.m. to 5 a.m. on the nights of July 5-6, 8-9, 9-10 and 10-11.

A handout illustrating the detour routes is attached and available online to view or download at: <https://fdot.tips/EBI4divert>.

Modifications or extensions to this schedule may become necessary due to weather delays or other unforeseen conditions. Motorists are advised to maintain a safe speed when driving through the work zone.

The I-4 Ultimate project is rebuilding 21 miles of Interstate 4 (I-4) from west of Kirkman Road in Orange County to east of State Road 434 in Seminole County, adding two new dynamic tolled Express Lanes in each direction, replacing more than 140 bridges, reconfiguring 15 major interchanges and reconstructing the entire roadway.
