S.R. 434 Under I-4 Closing Nightly Beginning at Midnight on Sept. 30

Orlando — State Road (S.R.) 434 under Interstate 4 (I-4) is closing from 12 a.m. to 5 a.m. on September 30 through October 8 to allow I-4 Ultimate crews to begin work on building the new I-4 bridges over S.R. 434.

While the ramps at the I-4 and S.R. 434 interchange are not closed during the nightly bridge work, the closure of S.R. 434 under I-4 will prevent motorists on the east side of the interchange from accessing the westbound I-4 on-ramp, and vice versa.

Multiple detour routes will be available to help motorists access either side of S.R. 434 as well I-4. [View or download a handout](#) that illustrates the detour routes for the nightly closure of S.R. 434 under I-4.

Modifications or extensions to this schedule may become necessary due to weather delays or other unforeseen conditions. Motorists are advised to maintain a safe speed when driving through the work zone.
