Nighttime Closures of EB I-4 Scheduled for Oct. 2-4

WB I-4 Traffic Pacing Operations to Occur Simultaneously

Orlando — Eastbound Interstate 4 (I-4) from Gore Street to State Road (S.R.) 408 will be closed overnight from 12 a.m. to 5 a.m. on October 2, 3 and 4.

All eastbound I-4 traffic must exit at South Street (Exit 82B), and then travel northbound on Garland Avenue to reenter eastbound I-4. Law enforcement officers will be monitoring each signaled intersection on the detour route of Garland Avenue between South Street and Colonial Drive (S.R. 50) to promote traffic flow.

During the operation, the eastbound I-4 entrance ramp from eastbound S.R. 408 will be closed from 10 p.m. to 5 a.m. on the nights of October 1, 2 and 3. The eastbound I-4 entrance ramps from Anderson Street and westbound S.R. 408 will remain open.

On westbound I-4, traffic pacing operations will be conducted between 12 a.m. and 5 a.m. beginning at Maitland Boulevard (S.R. 414).

The closures will allow construction crews to place girders for new S.R. 408 bridges over I-4. View or download an online map of detour and alternate routes for these closures at: <https://fdot.tips/ebI4closure>.

Modifications or extensions to this schedule may become necessary due to weather delays or other unforeseen conditions. Motorists are advised to maintain a safe speed when driving through the work zone.

The I-4 Ultimate project is rebuilding 21 miles of Interstate 4 (I-4) from west of Kirkman Road in Orange County to east of State Road 434 in Seminole County, adding two new dynamic tolled Express Lanes in each direction, replacing more than 140 bridges, reconfiguring 15 major interchanges and reconstructing the entire roadway.
