Westbound I-4 Exit Ramp to Eastbound Maitland Boulevard Is Changing on Morning of October 3

Orlando — On the morning of October 3, the exit point to eastbound Maitland Boulevard (State Road 414) from westbound Interstate 4 (I-4) will shift to a new location.

The new configuration of Exit 90A requires motorists heading to eastbound Maitland Boulevard to exit earlier – nearly a half-mile before reaching the Maitland Boulevard overpass. Previously, motorists were almost right under Maitland Boulevard when they exited westbound I-4 to eastbound Maitland Boulevard.

Exit 90 will handle all westbound I-4 motorists who want to use Lake Destiny Road and both directions of Maitland Boulevard. At westbound I-4 Exit 90, signs will direct motorists to 90C (to Lake Destiny Road), 90B (for westbound Maitland Boulevard) and Exit 90A (for eastbound Maitland Boulevard).

View or download a handout that illustrates this upcoming ramp shift of the westbound I-4 exit to eastbound Maitland Boulevard at <https://fdot.tips/wbi4exit90a>.

A digital media kit is available at <https://fdot.tips/mediakit>. Media kit includes handouts, animated graphics, b-roll and sound bites.

Modifications or extensions to this schedule may become necessary due to weather delays or other unforeseen conditions. Motorists are advised to maintain a safe speed when driving through the work zone.
