## Eastbound I-4 Exit Ramp to Northbound Kirkman Road Shifting to Temporary Location

**Orlando** — A temporary configuration of eastbound Interstate 4 (I-4) Exit 75B is scheduled to open by the morning of Thursday, October 18.

The temporary ramp will require motorists to exit on the left side of eastbound I-4 to Grand National Drive. The current eastbound I-4 exit ramp to northbound Kirkman Road (State Road 435) is closing to construct a new exit ramp.

A new traffic signal on Grand National Drive will control traffic movements from the temporary eastbound I-4 exit. To access northbound Kirkman Road, motorists can turn left onto Grand National Drive from the temporary exit ramp and then turn left onto Major Boulevard to reach Kirkman Road.

When the I-4 Ultimate project is completed in 2021, the ramps at the Grand National Drive overpass will provide direct connection to I-4 Express Lanes. The newly constructed eastbound I-4 exit ramp to northbound Kirkman Road is scheduled to reopen in summer 2019.

View or download a handout that illustrates the temporary ramp shift of the eastbound I-4 exit to northbound Kirkman Road at <https://fdot.tips/exit75b>.

Modifications or extensions to this schedule may become necessary due to weather delays or other unforeseen conditions. Motorists are advised to maintain a safe speed when driving through the work zone.
