Orlando — Westbound Interstate 4 (I-4) from Colonial Drive (State Road 50) to State Road (S.R.) 408 as well as eastbound I-4 from Gore Street to S.R. 408 is closing the night of Nov. 18 from 10 p.m. to 5 a.m. and the nights of Nov. 19 and 20 from 11 p.m. to 5 a.m.

Motorists on westbound I-4 must exit onto westbound Colonial Drive and then travel southbound on Orange Blossom Trail (U.S. 17-92/441) to reenter westbound I-4. Law enforcement officers will be monitoring each signalized intersection on the detour route of Colonial Drive and Orange Blossom Trail to promote traffic flow.

The westbound I-4 entrance ramps from westbound Colonial Drive, Amelia Street and South Street will be closed from 10 p.m. to 5 a.m. on the nights of November 18, 19 and 20. The westbound I-4 entrance ramps from Kaley Avenue and Gore Street will remain open during these closures.

Motorists on eastbound I-4 must exit at South Street (Exit 82B), travel north on Garland Avenue and reenter eastbound I-4 at the ramp located after the Amelia Street intersection.

In addition, the eastbound S.R. 408 exit ramp to eastbound I-4 will be closed the night of November 18 from 10 p.m. to 5 a.m. and the nights of November 19 and 20 from 11 p.m. to 5 a.m. These nightly closures are necessary to place girders for the new eastbound I-4 exit ramp to westbound S.R. 408.

Modifications or extensions to this schedule may become necessary due to weather delays or other unforeseen conditions. Motorists are advised to maintain a safe speed when driving through the work zone.
