Westbound I-4 under Central Parkway Closing at Night on November 19, 20 and 21

Orlando — Westbound Interstate 4 (I-4) through Altamonte Springs will be temporarily closing under Central Parkway for three nights beginning on November 19.

The closures will occur from midnight through 5 a.m. on November 19, 20 and 21.

Motorists may use Exit 94 to S.R. 434. From S.R. 434, motorists may use Montgomery Road or S.R. 436 to make their way to the westbound I-4 on-ramp from S.R. 436.

The nightly closures are necessary to safely demolish a portion of the old Central Parkway bridge adjacent to the interstate and make way for construction of the remainder of the permanent bridge.

View or download a handout detailing these closures and corresponding detours at fdot.tips/central.

Modifications or extensions to this schedule may become necessary due to weather delays or other unforeseen conditions. Motorists are advised to maintain a safe speed when driving through the work zone.
